

# TERZETTO

*Lisa Gutierrez*

Inspired by the beautiful simplicity of a triangle, Terzetto will quickly become a staple in your winter wardrobe. The crafty use of knit and purl stitches to create triangles is remarkably simple. Pattern repeats can be easily added to change the size for larger/smaller heads or for a different gauge.

## CUSTOMIZATIONS

This pattern should yield a fitted beanie. If you are interested in a slouchier fit, you can add a pattern repeat, or two, to make it longer. Make sure to end on Round 5 of the Triangle Pattern before starting the decreases. If the pattern is too snug around your head, CO a larger # of stitches in a multiple of 6. If you have any questions or comments, e-mail me!
